The next association meeting will be held on

Jan. 24, 2012

At

7:00 PM

At

Trabuco Canyon
Water District

HOA Web-Site

&
Meeting Agendas
at
Ranchocielo.org

Annual Election

The 2012 annual meeting & election will be held on February 28, 2012. Within the next few weeks you will receive a ballot in the mail. If you cannot attend the meeting, please mail in your ballot. Thank you.

View Issues

We want to remind you that the trees on your property may be blocking the view of your neighbor. The association's CC&R's do contain provisions to protect the view that some owners have due to the location of their properties. In most cases, our owners have worked well together to address this issue. Please take the time to inspect your trees and arrange for any necessary trimming.

Meeting Agendas

As a reminder, the Board Meeting agendas are placed on the HOA web-site at least four days prior to the meeting date.

Vehicle Security

Please be sure to properly secure your vehicles and do not leave expensive items such as phones, I-Pods, cameras, lap-tops, etc. in plain view within your vehicle.

If you do have a break-in or theft, be sure to call the Sheriff at the non-emergency number at 949-770-6011 and file a report. It is important that we report these matters.

HAPPY NEW YEAR!

Exterior Changes

Before you perform any exterior changes to your home, you must first submit an architectural variance request application to the Board for review and approval. Changes made without association approval may not be permitted and will have to be changed.

Exterior Painting

If you have not painted the exterior of your home within the past few years, it may be time to consider some touch-up work or a complete repainting. Please take a moment to inspect the exterior of your home. If you need information on the approved paint colors or need a Home Improvement application, please call our management office.

There are many homeowners white iron fences that need to be painted. The approved color is Dunn Edwards Swiss Coffee. Please inspect your perimeter fencing.
