Meeting Agendas

As a reminder, the Board Meeting agendas are placed on the HOA website at least four days prior to the meeting date.

Vehicle Security

We want to remind you of the past vehicle break-ins that have occurred in our community as well as in the surrounding communities. Please be sure to properly secure your vehicles and do not leave expensive items such as phones, I-Pods, cameras, laptops, etc. in plain view within your vehicle. Also, if you do have a break-in or theft, be sure to call the Sheriff at the non-emergency number at 949-770-6011.

Social Committee

The Social Committee is looking for a few new good members. Time commitment is not really big but we need some new ideas and a bit of help. Please call David Pingree at 949-584-2555 if interested.

RV's, Boats & Trailers

As a reminder, the association has very specific rules relating to the parking of these items within the community. Please be sure to read the rules printed onto the back of this newsletter. We have also included information on the association's parking rules and regulations.

Happy St. Patrick's Day

Exterior Changes

Before you perform any exterior changes to your home, you must first submit an architectural variance request application to the Board for review and approval. Changes made without association approval may not be permitted and will have to be changed.

Street Sweeper

The association streets are swept each Thursday. Please make sure your vehicles are not parked on the street.

Iron Fence Maintenance

As a reminder, the iron fence around your home is yours to repair and maintain and when necessary, replace. The approved color for the iron fencing is Dunn Edwards Swiss Coffee. Please take some time to inspect your fence to determine if repairs are needed and if painting is needed. If you have not painted your fencing within the last two years, it is very likely that some repairs and painting is needed. Should you need help finding vendors to bid the work, please call our manager.
