BOARD MEETING

The Annual Meeting of the Members is scheduled to be held June 25th at 7:00 PM at the Trabuco Canyon Water District Office at 32003 Dove Canyon Dr, Trabuco Canyon, CA 92679. The Homeowner Forum is scheduled to commence at approximately 7:15 PM.

Please Be a Responsible Pet Owner

- Protect your pet with a license tag on your pet's collar. This is good insurance in helping reunite you with your animal if your pet should become lost. Ninety-eight percent of the dogs impounded wearing a license return home.
- Spay/neuter your pet to do your part in helping solve pet overpopulation.
- Spayed females are normally healthier, live longer and do not come into heat, which attracts unaltered males to your property. Neutered males are better companion animals and are less likely to stray.
- Leash your pet to prevent injury and to keep them from trespassing or causing injury to others.
- Make sure your pet is a good neighbor by keeping your dog from barking needlessly and disturbing your neighborhood.

If Your Pet Injures Someone

- Report the Bite: The Orange County Code of Ordinances requires "[a]ny person with knowledge of a bite" to report the incident to Orange County Animal Care. This duty applies to owners, witnesses, and bite victims. The dog must be quarantined as a precaution against rabies. The county instructs citizens to immediately call (714) 796-6421.
- Owners and keepers must provide identifying information to the bite victim "as soon as is practicable, but no later than 48 hours" after learning of the bite. They must provide the owner/keeper's name, address, telephone number, and name and license number for the dog.

Animal Noise Nuisance

- Barking dogs can interfere with the peace and comfort of our neighborhood and the comfortable enjoyment of life or property. Orange County has an ordinance (OCCO §4-1-3, 4-1-48, 4-1-59) to address barking dogs. To obtain information about filing a barking dog complaint, call: (949) 461-3400 or go to:
