

Pool and Spa Emergency Rules

Do Not Enter if....

Per the Association's Emergency Rules, individuals who have symptoms consistent with COVID-19 or have a confirmed case of COVID-19 are not permitted to use the amenity areas, including the pool, spa and sauna.

Know the symptoms of COVID-19, which can include the following:

Maintain your distance....

Per the Association's Emergency Rules, individuals are to maintain social distancing of at least 6 feet from non-household members to the extent possible while using the amenity areas, including the pool, spa and sauna.

Wear a Mask....

Per the Association's Emergency Rules, all residents are strongly recommended to wear a face mask while in the common areas. Masks though should be removed before entering the water or sauna.

Wash your hands....

Per CDC guidelines, everyone is encouraged to wash their hands or use alcohol-based hand sanitizer before entering the pool area.
